

Haiqing Xu

Department of Economics
The University of Texas at Austin

CONTACT INFORMATION Department of Economics Phone: +1-512-475-8528
1 University Station Office: BRB 3.160
BRB 3.160, C3100 Email: h.xu@austin.utexas.edu
Austin, TX 78712

CITIZENSHIP P.R. China

EDUCATION Ph.D. Economics, Penn State University, August 2011
Dissertation Title: Discrete Choice Models with Endogeneity
M.A. Economics, Peking University, June 2005
B.A. Management, Peking University, June 2000

RESEARCH INTERESTS Econometrics
Semiparametric Models, Empirical Games, Non-separable Models

EMPLOYMENT 2011 – present Assistant Professor, The University of Texas at Austin
2000 – 2002 Project Manager, Clever Software (Group) CO., Ltd, Beijing, China

PROFESSIONAL MEMBERSHIP American Economic Association, Econometric Society

PUBLICATIONS 1. “Tighter Bounds in Triangular Systems,” joint with Sung Jae Jun and Joris Pinkse. *The Journal of Econometrics*, 161 (2011), Issue 2, 122-128
2. “Discrete Endogenous Variables in Weakly Separable Models,” joint with Sung Jae Jun and Joris Pinkse. *The Econometrics Journal*, (2012), 15: 288-303

WORKING PAPERS 1. “Social Interactions: A Game Theoretic Approach,” November 2010
2. “Semiparametric Identification and Estimation of Binary Decision Games of Incomplete Information with Correlated Private Signals,” joint with Yuanyuan Wan. Revised and Resubmitted
3. “Estimation of Bayesian Nash Equilibria in Static Discrete Games with Correlated Private Signals”. Revised and Resubmitted
4. “Causal Discourse in a Game of Incomplete Information,” joint with Halbert White and Karim Chalak. Revised and Resubmitted

5. "Identification of Treatment Effects In a Triangular System of equations," joint with Sung Jae Jun, Joris Pinkse and Nese Yildiz, October 2012. Submitted
6. "Semiparametric Analysis of Binary Games of Incomplete Information," joint with Nianqing Liu, September 2012
7. "Identification and Rationalization of Discrete Games with Dependent Private Signals", joint with Nianqing Liu and Quang Vuong, November 2012

PRESENTATIONS

- 2009 The Far East and South Asia Meeting at Tokyo University
- 2010 The Cornell-PSU Macro Workshop at Penn State University, Department Seminar at Penn State University
- 2011 University of British Columbia, University of Toronto, University of Texas at Austin, Student Chapter of Society for Industrial and Applied Mathematics at Penn State University, The Cornell-PSU Macro Workshop at Penn State University, Econometric Society North American Summer Meeting at Washington University in St. Louis, Boston College
- 2012 Texas Econometrics Camp XVII at Houston, Rice University, Social Psychology in Psychology Department at Texas A&M University, Ohio State University

TEACHING
EXPERIENCE

- 2011-2013: Instructor: The Probability and Statistics (graduate level), The Introduction of Econometrics (undergraduate level), at The University of Texas at Austin
- 2011 Summer: Instructor: The Introduction of Econometrics (undergraduate level), at the Penn State University,
- 2005-2009: Teaching Assistant: the Penn State University,

ADVISING
EXPERIENCE

Dissertation Committee Member: Zhan Shi, Chiang Piin-hueih

PROFESSIONAL
ACTIVITIES

Referee for:
Journal of Applied Econometrics, Journal of Econometrics, Econometrica
